

Certified OT Security Manager TÜV® (COSM)

in cooperation with LIMES Security GmbH

✓ Training objectives

OT Security Management-training provides those responsible for operations, project and production managers and decision-makers in general with the knowledge they need to implement security in industrial operations. Participants learn all necessary skills to recognize dangers early on, to increase the security level and to lastingly avoid security vulnerabilities. The focus is on organizational topics and process management, in addition technical influencing factors are also discussed, which prepare the participants better for future security decisions.

✓ Topics

- Overview of security standards and frameworks
- Case study: OT security incident in the absence of OT security management
- Organisational measures and ISMS
- Definition of the system under consideration (SUC)
- Asset management, Risk management, Supply chain management
- Identity and access management
- Incident Handling
- Incident response planning

✓ Target group

Industrial component manufacturers, manufacturing industries, machine builders, system integrators, plant operators, energy suppliers, operators of critical infrastructure, maintenance, production technicians, plant planners and plant technicians, plant electricians, machine operators, those responsible for plant IT, future plant operators and production managers

✓ Certification

Certificate of participation. Upon attending the certification examination TÜV AUSTRIA Persons-Certificate "Certified OT Security Manager TÜV® (COSM)".

✓ Requirements for attendance

Completed training including examination for "Certified OT Security Practitioner TÜV® (COSP)" or an equivalent course or relevant work experience of at least 38 hours / week.

✓ Dates

Please mark the desired date and return the scanned form by E-Mail.

x	Course-no.	Course	Date	Duration	Location	Cost excl. VAT
<input type="radio"/>	21.813.092.01	Certified OT Security COSM	on request	24 TU (3 days, 8 units)	Inhouse-training	on request

✓ TÜV AUSTRIA Certificate

The Certification Institution

TUV AUSTRIA Cert is an international institution issuing diverse accreditations, personal, product and system certifications, as well as public, trade and industry law authorisations which enjoy worldwide recognition. The strict separation of the processes of education and training on the one hand, and certification on the other, guarantee the highest conceivable degree of impartiality. Thus, the name TUV AUSTRIA stands for uncompromising unbiasedness and universally acknowledged quality.

Certification Procedure

Education and training institutions and certification institutions are subject to requirements as defined in the international standard ISO/IEC 17024. Furthermore, person certifications involve precisely defined procedures. In every certification it carries out, TUV AUSTRIA strictly complies with the stringent provisions of this standard. Thus, certificates issued by TUV AUSTRIA enjoy universal recognition.

✓ Information & contact

The International Training Courses are offered in English language as inhouse trainings on demand and partly as public trainings through our affiliate companies.

Extract from the terms and conditions of participation: The General Terms and Conditions of TÜV AUSTRIA AKADEMIE GMBH as specified at <http://www.tuv-academy.at/TaC> apply in their entirety. The participation fees must be paid by bank transfer within two weeks after receipt of the invoice. Classroom training sessions may be cancelled in writing by TÜV AUSTRIA AKADEMIE GMBH up to 6 business days (Mon–Fri) before the start of a session. In this case, already paid participation fees will be refunded; further claims are excluded. Transfers and cancellations must be made in writing. They are free of charge up to 7 working days (Mon–Fri) before the start of the event. As from 6 working days up to 1 working day before the start of the event, 10 percent of the participation fee will be charged for transfers and 30 percent for cancellations. In case of no show or cancellation as from the (first) day of the event, the complete participation fee will be charged; transfers are then no longer possible. We gladly accept a substitute participant. We provide access to an e-learning product ordered by you within two working days. The right of withdrawal expires as soon as you open the first e-learning session.

Data protection information according to Article 13 of the GDPR: TÜV AUSTRIA AKADEMIE GMBH uses your data for the processing of booked services and purchased products. The processing of this data is a necessary prerequisite for the completion of contract. Furthermore, your data is used for direct marketing purposes (communication sent via post and email as well as event invitations) on the basis of a legitimate interest. Please familiarise yourself with the full data protection declaration. You will find this at www.tuv-academy.at/privacystatement. If you do not agree to the use of your personal data being used for direct marketing purposes, please inform us of these by post at TÜV AUSTRIA AKADEMIE GMBH, TÜV AUSTRIA-Platz 1, 2345 Brunn am Gebirge, Austria or by email at akademie@tuv.at.
